Remarks:

Employment data is to be submitted every month on this form to indicate: (1) the number of hours worked on the project (Hours of Employment); (2) the number of individuals working on a project during the reporting period (Number of Employees). This report must be submitted to the Illinois Department of Transportation (IDOT) by each contractor and subcontractor each month. The prime contractor is responsible for securing and submitting with his/her report, reports from all subcontractors.

The figures to be reported should represent a contractor's project workforce, in whole or in part, for a period of one month.

The figures to be reported in Table A should include journeymen, apprentices and on-the-job trainees. Figures to be reported in Table B should only include apprentices and on-the-job trainees as indicated.

IDOT is requesting disclosure of information necessary to accomplish the statutory purpose under 23 U.S.C. sec. 140a and 23 CFR part 230 for project workforce for minority persons. Therefore, disclosure of this information is REQUIRED.

Additionally, in accordance with Executive Order 15-12 to Ensure Equal Opportunity is Provided to All Illinois Persons and Businesses, Contractor shall provide to IDOT, on revised form SBE 956 (03/16), information about the number and proportion of participants in apprenticeship and training programs utilized by the Contractor who are minority persons or veterans. Contractor shall take reasonable steps to require its apprenticeship and training program providers [and its subcontractors] to provide such information to Contractor for the purpose of complying with this reporting provision. This provision shall not be construed to violate federal law. Executive Order 15-12 is available at: <http://www.illinois.gov/Government/ExecOrders/Documents/2015/ExecutiveOrder2015-12.pdf>.

Failure to comply may result in the withholding of payments to the Contractor, termination or suspension of the contract in whole or in part.
