Remarks:

14-06 - This report reflects hours worked through 10/31/2015.

Employment data is to be submitted every month on this form to indicate: (1) the number of hours worked on the project (Hours of Employment); (2) the number of individuals working on a project during the reporting period (Number of Employees). This report must be submitted to the Illinois Department of Transportation by each contractor and subcontractor each month. The prime contractor is responsible for securing and submitting with his/her report, reports from all subcontractors.

The figures to be reported should represent a contractor's project workforce on board in whole or in part for an entire month.

The figures to be reported in Table A should include journeymen, apprentices and on-the-job trainees.

Figures to be reported in Table B should only include apprentices and on-the-job trainees as indicated.

The Illinois Department of Transportation is requesting disclosure of information necessary to accomplish the statutory purpose as outlined under FHPM 6-4-1(2). Title U.S.C. 23. Disclosure of this information is REQUIRED.

Failure to comply may result in the withholding of payments to the Contractor, termination or suspension of the contract in whole or in part.
